

**CITY OF PORT TOWNSEND
NOTICE OF PUBLIC HEARING**

**Verizon Wireless
Personal Wireless Facilities Installation including
Conditional Use and Height Variance applications
File Nos. LUP 17-079 and LUP17-080**

On Thursday, December 7, 2017, beginning at or about 2 p.m., the Port Townsend Hearing Examiner will hold an open-record public hearing to consider the above referenced application. A more complete project description is provided below.

The public hearing will take place in the City Council Chambers, located at 540 Water Street, Port Townsend, WA. A copy of the application and all other related documents are available for review in the public inspection files maintained by the Development Services Department (DSD), located on the 3rd floor, 250 Madison Street, Suite 301. All interested persons may appear at the hearing and provide oral or written testimony.

Description: The proposal consolidates a Personnel Wireless Service Facility request and Conditional Use Permit (CUP) applications with a height Variance of 3-feet, 1-inch. The project would install 4-panel antennas and ancillary communications equipment within new wall mounted camouflaged enclosures placed on or near the roof line of JHC's north and south facades. Base station equipment will be located on the eastern portion of the rooftop within an existing screen mechanical equipment area.

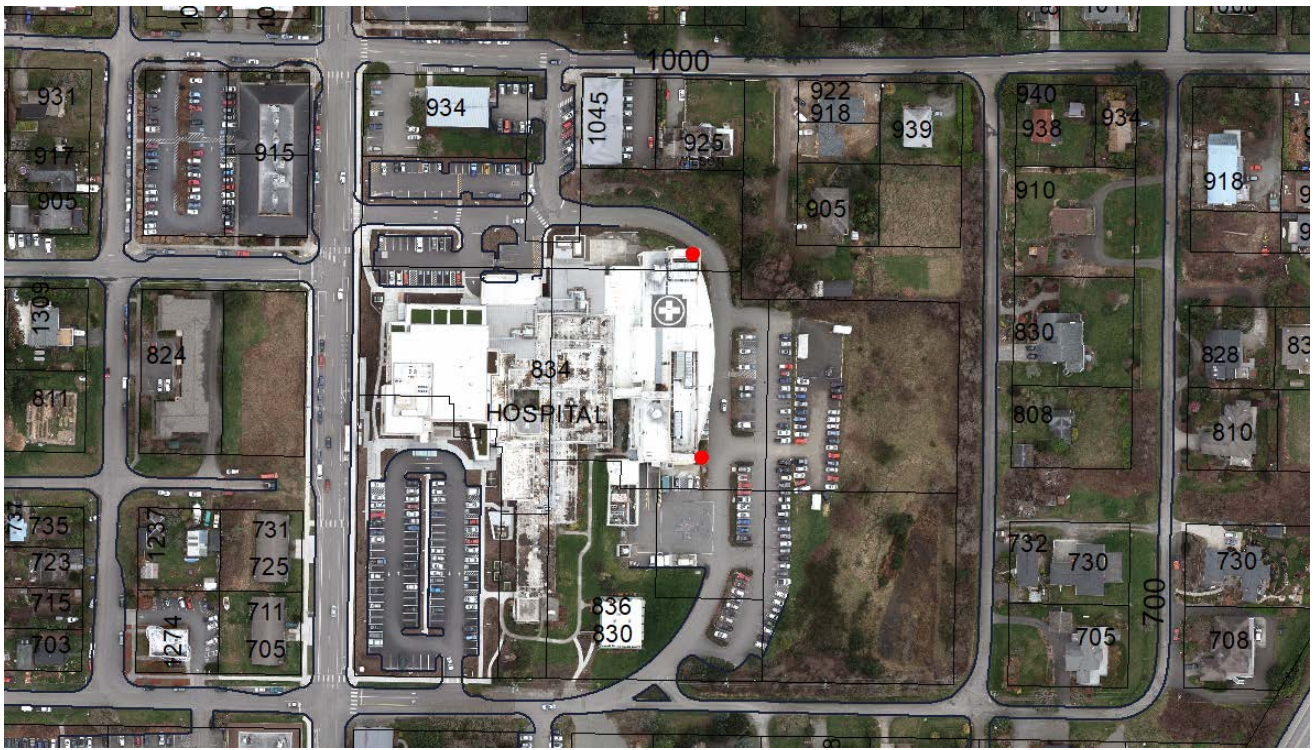

Applicant: Verizon Wireless

Agent: Madeline Chaney
Camp and Associates
19401 40th Ave. W., Ste. 304
Lynnwood, WA 98306

Location/Legal Description: The Jefferson Healthcare (JHC) main campus is located at 834 Sheridan Street between 7th Street and 10th Street. Full legal descriptions and tax parcel numbers for lands involved with the project are available in the project file. A project vicinity map is attached to this Notice.
