

ICHIKAWA, JAPAN AND PORT TOWNSEND CELEBRATING 10 YEARS OF FREINDSHIP

Port Townsend's Sister City, Ichikawa, Japan, is visiting Port Townsend October 24-26th to celebrate the 10th anniversary of the Sister City Agreement. On October 24, 2002 the City of Port Townsend signed a Sister City Agreement with the City of Ichikawa. Since that time there have been exchanges of both student groups through the school and adults through the City program.

There will be twelve delegates and all but one would like to homestay. There is one couple in the group so that means 10 host families will be needed. Anyone interested in opening their home to our visitors should contact Catherine McNabb at the City of Port Townsend.

Events for our Sister City visitors are in the process of being organized. Anyone who wishes to participate in organizing or volunteering for events such as a reception or tour may contact Catherine McNabb.

If you have participated in the exchange program either as a student, delegate or host please call Catherine McNabb at 379-5089 or email cmcnabb@cityofpt.us . Any stories or pictures regarding your experience will be appreciated.
