

Lawrence Street Project - Harrison to Walker Street Concept Design

The City of Port Townsend is developing a concept design for reconstructing the Lawrence Street corridor between Harrison Street and Walker Street. As part of the project, the road will be resurfaced, water and sewer lines will be upgraded where needed, and continuous sidewalks/bike lanes will be installed on both sides of the street.

You are invited to review the draft concept design by following this website link:
<https://cityofpt.us/engagept/page/lawrence-street-multimodal-improvements-project-harrison-walker-0>

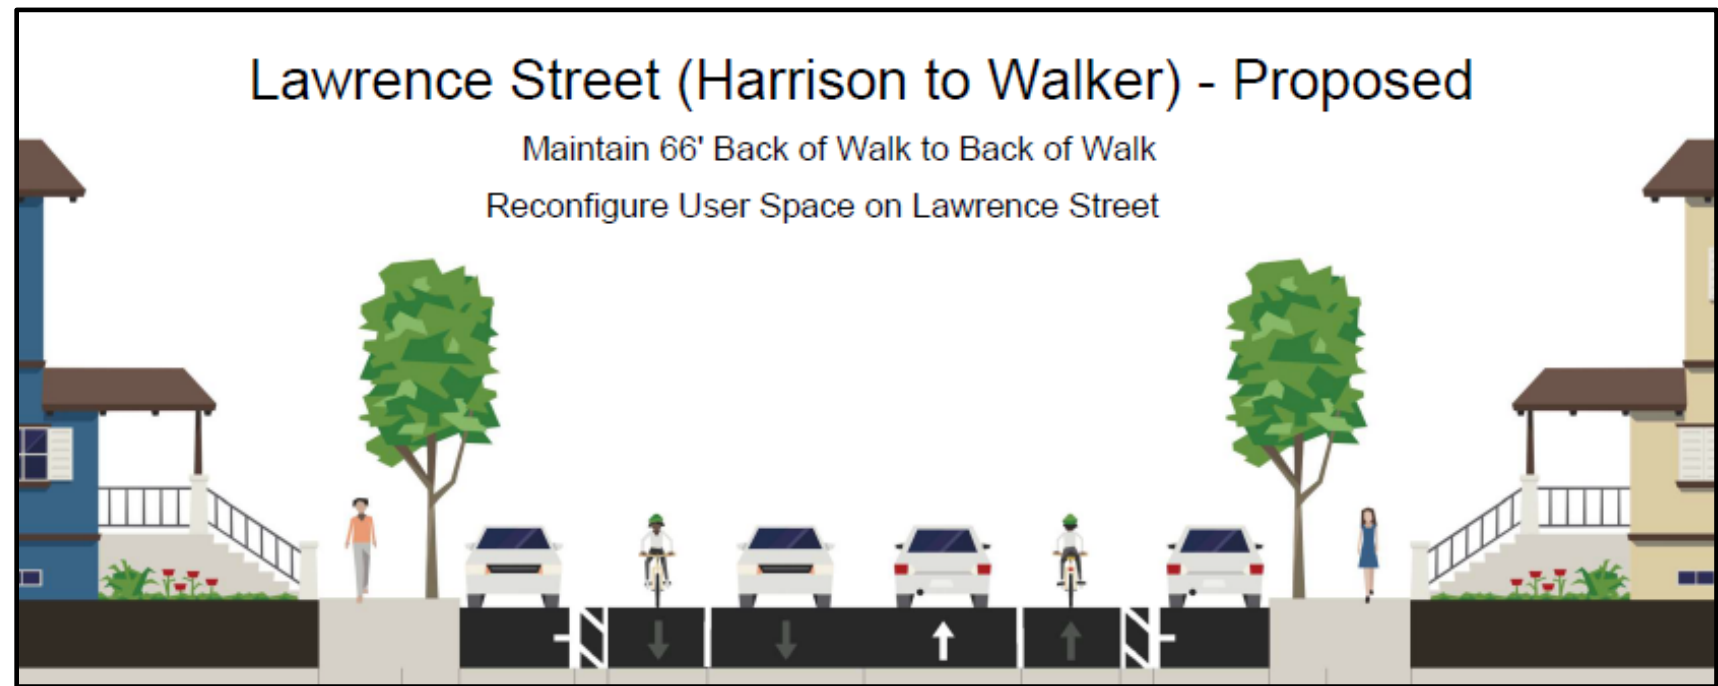

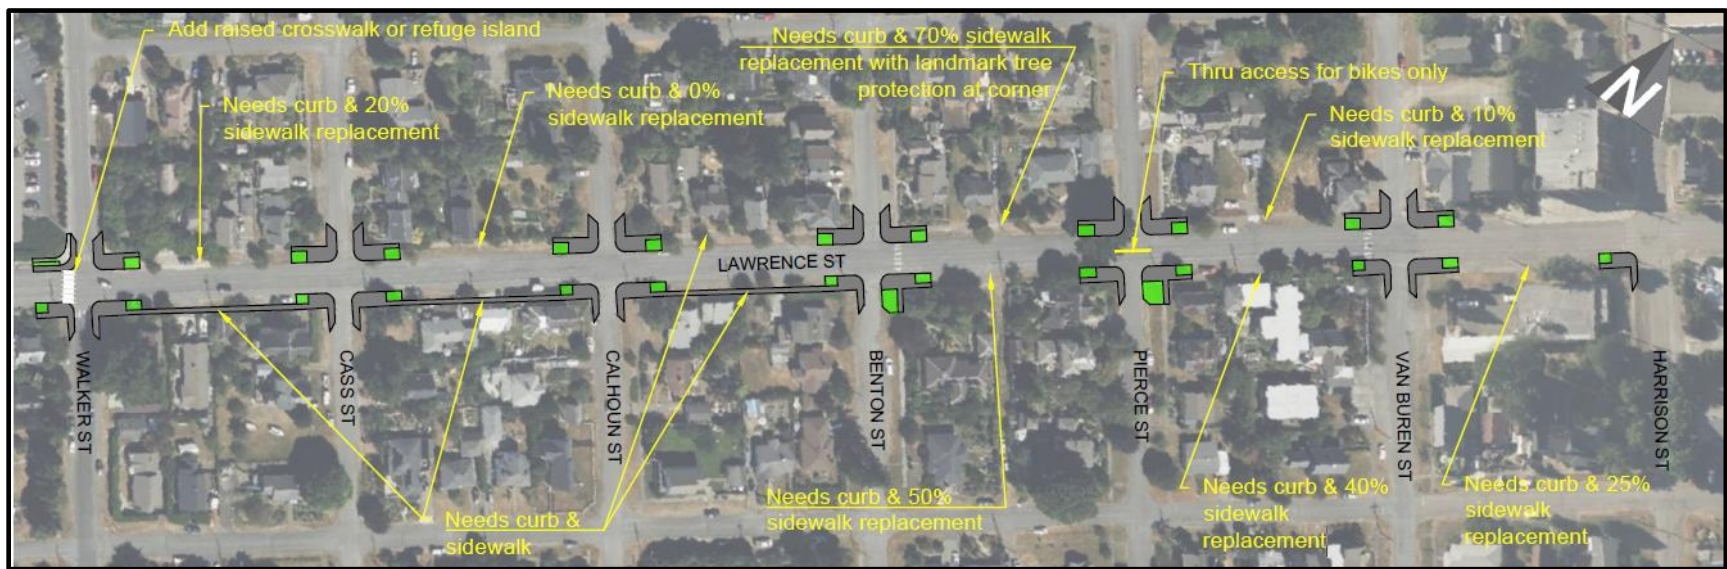

Or scan this QR code:

City Council will be discussing the concept design at two upcoming meetings (open to the public – please feel free to attend and provide public comment):

What	City Council Meetings with presentations on Lawrence Street Project Concept Design
Dates	Monday, October 20, 2025 and Monday, November 17, 2025
Where	City Hall Council Chambers, 540 Water Street, Port Townsend
Time	6:00 pm

Project Schedule:
Design – Currently in Progress; Fall 2026 – Start Construction; Summer 2027 – Construction Complete

Project Area:
