

**Call for Applications  
Site Specific “Formal” Amendments  
to the City of Port Townsend Comprehensive Plan/  
Land Use Code Text Amendments  
Year 2020**

The City of Port Townsend is accepting applications requesting:

- Site-specific amendments to the text of the comprehensive plan;
- Site-specific amendments to the land use/zoning maps (i.e., “Rezone”); and
- Land Use Code text amendments – meaning the controls placed on development or land use activities by the city, including, but not limited to, zoning ordinances (including PTMC Titles [17](#), [18](#), and [19](#)), shoreline master program development regulations (amendments may require approval from the Department of Ecology), critical areas ordinances, official controls, planned unit development ordinances, subdivision ordinances, and binding site plan ordinances.

**Application Deadline:** February 1, 2019

**Requirements:** The applicant must be a proponent of a land development project and/or property owner or authorized representative. A filing fee and SEPA Checklist must accompany the application.

**Applications are available at:** City of Port Townsend  
Development Services Department  
250 Madison Street  
Port Townsend, WA 98368

Or via the City’s Website: <https://cityofpt.us/development-services/page/development-services-forms-documents> <https://cityofpt.us/development-services/page/development-services-forms-documents>

Applications, which are properly and timely filed, will be subject to environmental review and public hearings with a final decision targeted for September of 2020.

**Contact:** Judy Surber, Planning Manager
