COMMUNITY INVITED TO THREE-DAY COMPREHENSIVE PLAN STUDIO
Interactive workshops will engage around future vision and scenarios

PORT TOWNSEND – The City of Port Townsend and SCJ Alliance are hosting a three-day interactive studio with City Council, City staff, and the community to begin fleshing out the details of the 20-year comprehensive plan. The event will shape the City’s long-term goals, including how policies are drafted for the plan. Future public events will continue to build on these goals.

All are invited from July 22 to 24 at the Cotton Building at 607 Water Street in Port Townsend for an opportunity to co-create the future of the city. Community members of all ages are welcome to participate in these drop-in workshops and stay for as long as they choose. Times for the studio were selected to ensure broad participation over the three days.

The full schedule is below and on the City’s Comprehensive Planning website: pt2045planning.org.
